01 PROFILE

As a Web Development Intern at CodSoft, I have gained experience in JavaScript, HTML & CSS, React.js, and Python programming. Currently pursuing a B.Tech degree in Web Development from the Institute of Science and Technology, I am eager to apply my skills and knowledge to contribute to web development projects. I have a strong desire to continue learning and honing my skills in order to become a proficient web developer. With a passion for creating innovative and user-friendly websites, I am committed to delivering high-quality work and meeting project deadlines. My goal is to continue gaining practical experience and expanding my skill set in web development.

02 EMPLOYMENT HISTORY

Dec 2023 — Present

Web development Intern at CodSoft

I am currently working as a Web development Intern at CodSoft. In this role, I am gaining hands-on experience in web development and honing my skills in JavaScript, HTML & CSS, React.js, and Python Programming. I am actively involved in developing and maintaining websites, creating responsive designs, and implementing interactive features.

During my internship, I have been able to apply my knowledge of web development concepts and technologies to contribute to the development of various projects. I have been working closely with the development team, collaborating on coding tasks, and learning best practices in web development.

My internship at CodSoft has provided me with valuable industry experience and an opportunity to enhance my skills in web development. I am excited to continue learning and growing in this role.
